### 3 QUESTIONS WITH ABURI'S BUSINESS DEVELOPMENT TEAM

Jatinder and Montana

You may have seen Jatinder and Montana sitting down for meals with corporate guests at the restaurants. They play an important role in our business, helping to increase exposure to our target guests. We interviewed them to find out more about what they do.

#### TELL US A BIT ABOUT WHAT YOU DO.

We create and manage relationships with our corporate clientele while enhancing branding for Aburi Restaurants.

#### MOST MEMORABLE COMPANY YOU'VE MET WITH?

There are many notable companies that we have met with, but the most memorable would be Novartis, Electronic Arts, and Lundbeck.

#### TELL US 1 FUN FACT ABOUT YOURSELF!

**Jatinder:** No matter what the weather movies would be part of my weekend.

**Montana:** I have been playing lacrosse for 20 years and coaching for 10!

#### ABURI TEAM HIGHLIGHTS

### KENNETH

at Miku Toronto

“Miku was an incredible lunch. I booked a table expecting a typical Japanese place but was treated to an upscale experience complete with items that I had never tried and top notch service. Ask to be seated with Kenneth. He was an absolute professional who helped choose the perfect combination of pieces for two people. I can't wait to go back to Miku.” (Nathan G., Google)

### TIFFANY'S EPIPHANIES

Can you believe that it's June? It certainly doesn't feel like it with the chilly weather here in Vancouver! Toronto, I hope you're enjoying good temperatures and good sunshine on the East Coast.

This month was very cocktail-centric. Thank you so much to Cody and Yuko for all the amazing photos!
